Purity and Holiness Seminars offer practical lessons using creative and fun group activities to teach life lessons. You will experience dynamic teaching times, interactive group sessions and time to reflect and journal. Each seminar is unique to its age group, you'll want to come to both!

Intense, Yes!!

You will not only have a great weekend, but also begin an exciting life-giving journey. Come and learn "why" God says what He does and "how" you can apply God's Word to all your relationships.

"It's a great experience. It makes you stronger about your decisions and you have support." -Sam

"You learn some intense stuff that will change your perspective in a positive way" -Mike

If you want to dig deeper into God's word and gain a great biblical perspective on not only sexual relationships, but relationships in general, you should definitely attend! The food's pretty good too! - Robin

"Come! It's a great talk for teens and it's fun." Samantha
